

Phonak Slim™

Key talking points

Today's modern patients are looking for more than a traditional hearing aid.

Phonak Slim combines a sleek, modern design with Lumity hearing performance.

Connect with existing or potential patients and highlight the benefits of Phonak Slim:

- **Rechargeable** battery lasts a full day, including streaming
- **Universal Bluetooth® connectivity** lets you connect to virtually any cell phone, tablet, computer and more
- **Push button** included and compatible with the **myPhonak app** for instant personalization
- Unique **left / right designs** to hug behind your ear – a perfect fit with glasses!
- **Improved speech understanding in noisy environments** with SmartSpeech™ Technology

**Phonak Slim is a perfect match for your modern hearing life.
